

REINTEGRATION TRAINING

Training Syllabus

Module 6 – Reintegration practices for children and their families

The Best Interests Procedure

Time: 90 Minutes

Session Aim: The aim of this session is to understand the best interest assessment and determination as important tools of child protection.

Topics

- Overview of the Best Interest of the Child
- Guiding principles
- Key stages of the Best Interests Determination Procedure
- Case study

Learning Objectives

By the end of the session, trainees will be able to:

- Define the concept of the best interests of the child
- Identify the key stages involved in the best interest determination process
- Show how a multidisciplinary BID Committee balances the different rights of a child to determine the solution in his/her best interests

Reintegration assistance of children and their families

Time: 90 Minutes

Session Aim: Trainees will be able to identify key considerations for reintegration of children.

Topics

- Why are children central to rights-based return and sustainable reintegration?
- Key principles for children's reintegration
- How do adults and children communicate differently?
- Child sensitive reintegration at the individual, community and structural level
- Child reintegration monitoring
- Case study

Learning Objectives

By the end of the session, trainees will be able to:

- Understand the importance of a child's rights approach to reintegration
- Recognise how to communicate effectively with children
- Identify key issues to address for children reintegrating, at the individual, community and structural level and how to monitor the reintegration of children
